

# GROWTH GROUPS

## DISCUSSION GUIDE

These questions aim to facilitate group discussions about the weekend teachings, foster connections among members, and encourage the application of God's Word in our lives.

**January 11-17, 2026, | Acts 4:13**

### Opening Prayer

"Lord, search our hearts and reveal where we need to surrender."

### Icebreaker

If you had to give up one of these for a month, which would you choose: **phone, social media, favorite food, or Netflix**? Why?

### Discussion Questions

1. What does "total surrender" mean to you in your own words?
2. How would you describe **legalism** in your own words?
3. What's the difference between "**surrender**" and "**legalism**"?
4. The testimony shows someone very active in ministry but still feeling empty. Why do you think

religious activity can coexist with spiritual emptiness?

5. What's the difference between **doing things for God** and **being with God**?
6. What are some signs that someone may be relying on **self-effort** rather than the Holy Spirit?

### **Personal Reflection**

7. What is one thing God has been asking you to surrender lately?

### **Prayer Response:**

"Holy Spirit, teach me how to fellowship with You daily."
